NEGOTIATIONS 101

BARGAINING PROCESS

Both sides will come to the table with proposals. Proposals will be discussed and modified until tentative agreements are reached. Assuming an agreement can be reached, the contract will be recommended for ratification by the members.

SUNSHINING

Both parties present the topics they want to bargain. Either side can open any and all articles.

NEGOTIATIONS

Both sides sit down with legal obligation to bargain in good faith to attempt to reach agreement.

CAUCUS

When there needs to be a break in negotiations at the table and a private conversation needs to be held away from management for a consensus.

IMPASSE

Either side can declare the talks are deadlock, which leads to mediation. A state appointed mediator tries to get the two sides to reconcile their differences. If not successful, the mediator will send the parties to fact-finding.

FACT-FINDING

A fact-finding panel will issue a report with recommended terms of settlement, but the parties don't have to agree to it.

AFT 1521A CAN STRIKE - DISTRICT CAN IMPOSE

If no agreement is reached, LACCD can legally and unilaterally impose its last, best and final proposals. AFT1521A can legally hold a job action, including a strike.
